## Our Story

We are often asked where it all started and our answer usually surprises people

24

**Penthouse Mathilde is a luxury apartment in the exclusive Les Barmes des Mossettes development in the centre of Morzine. The nearest lift is only 500m away, and the restaurants, bars and shops of Morzine are all on your doorstep. The apartment sleeps up to 9 guests in 4 bedrooms, and boasts luxury interiors by international designers Laughland Jones.**

The apartment is the only penthouse in the development, being set over two floors. On the entrance level you will find 3 of the 4 bedrooms, each with its own en suite facilities. The bedrooms all feature luxury bed linen, and of course amenities from our spa partner, Bamford. Moving upstairs, there is a large open plan living space with a feature fireplace and floor to ceiling windows offering views out over the village and surrounding mountains. A separate bar and mezzanine area offset from the living room has a bespoke bar to prepare drinks each evening, or the opportunity to hide away with a good book. A wrap around balcony provides spacious terracing, and is home to a large, 6 seat hot tub. There are also several seating areas from which to take in the view, or enjoy dining alfresco in the warmer months.

The specification of the apartment is of the highest level. Much of the furniture and fabrics are from Timothy Oulton, and there are wall coverings by Inkiostro Bianco, and artwork from renowned photographer Steve McCurry and contemporary British artist Dave White. The kitchen is fully equipped with high end appliances from Bosch, Siemens and Bora. You'll also find the latest audio-visual technology, and a games console for the kids – big and small alike.

When we started looking for a home in the resort we were immediately drawn to the location of Les

Barmes des Mossettes. It's central – you can walk to the ski lift in less than 10 minutes – but not too central. We have views and a level of privacy that wouldn't be afforded in the centre of town. It also felt like fate that one of our favourite restaurants, La Chaudanne, was just over the road, so a superb evening out is, quite literally, on the doorstep.

Our main tip for our guests is to explore the Super Morzine and Ardent sectors. These provide a real variety of skiing, and the unique village of Lindarets, aka 'the Goat Village'. This is a must at any time of the year as it has some fantastic restaurants, but if you're visiting in the summer you'll also get to witness the plethora of goats, from where the village gets its nickname, who have the right to roam freely.

When we came to design the interior of Penthouse Mathilde we knew we wanted to create a truly luxurious feeling, matched with a home away from home comfort. It was important to us to blend some of our own tastes and style, but to also ensure they were incorporated into a first class scheme, which is why we chose to appoint Laughland Jones to oversee all the finishes in the apartment. The result is something we're truly proud of, and we hope that our guests will get to share an appreciation of what makes this area so special to us.

## An Enviably Location

Everything is on your doorstep; ski lifts, restaurants, bars and shops are all easily accessible by foot. There's a good-sized convenience store almost next door and one of our favourite restaurants, La Chaudanne, is just across the road. A three-minute stroll gets you to La Ferme de la Fruitière for the best fondue in town, while another couple of minutes and you're at the Super Morzine lift, for easy access to the snow-sure pistes of Avoriaz.

## Breathtaking Views

Don't be fooled by the central location, the building was designed by renowned local architect Herve Marullaz who has framed the views of the surrounding mountains superbly. When you first approach at street level you have no idea how much the view will open up once you reach the penthouse.

# Spacious Open-Plan Living

Penthouse Mathilde is a perfectly located base to enjoy the many restaurants and bars of Morzine, but you could be forgiven for wanting to spend your entire stay in the apartment itself. Unwind in the large hot tub on the balcony and watch the sun go down before preparing a feast in the well-equipped designer kitchen. After dinner, relax on the sofa in front of the log fire while you decide whether to pop out for a drink or two, or grab a nightcap from the bar.

# Luxury Self-Catered

Introducing Luxury Self-Catered from The Boutique Chalet Company – immaculately presented chalets with bespoke service from the moment you book and throughout your stay. Our dedicated Travel Experience Team will meticulously plan your personal itinerary, introducing you to trusted partners who we have been working with for more than a decade in the mountains.

On arriving at your property you'll be met by one of our chalet managers – they'll ensure you know how the chalet works, that you've got everything you need and where you're heading out to ski the next day. Our friends at Gravier Ski take on a dedicated technician to specifically work with our guests – they will come and get you kitted out directly in your chalet and we can also deliver lift passes so you don't have to queue in the morning.

You won't need to shop... each day we will deliver a bespoke hamper in which you can choose to include breakfast supplies, drinks packages and even recipe boxes that make evening catering a breeze. If you want to eat out, be that on or off the mountain, we'll help you make reservations at the best restaurants – we'll even share our personal recommendations for what to order and which table to request.

All our properties are in amazing locations and they're at most a few hundred metres from the lifts or a bus stop – we'll help you make a plan for exactly how to get around, we can even arrange lockers at the lift so you don't need to walk in your ski boots. If you're driving out to resort or hiring a car at the airport, we can give you tips on where to park and how to get around easily.

To make your stay really special you can also benefit from our exclusive spa partnership with Bamford – our in-house therapists offer a full treatment menu in our properties. For those special occasions we can also arrange live bands, firework displays and bespoke events.

A woman with dark hair pulled back is lying face down on a massage table. Her eyes are closed, and she has a serene expression. A therapist's hands are visible, gently massaging her back. The background is softly blurred, showing a bright, airy spa environment.

# Welcome To Morzine

Morzine. The heart of the Portes du Soleil. A beautiful village where skiing has been part of winter life since the lifts first opened in 1934. Whilst traditionally it may not have been a destination for those seeking the finest the luxury ski world can offer, things are changing fast. The village has always been as picturesque as the ski area is diverse, and over the last five years a wave of young independent creatives from across Europe have set up new restaurants, bars and boutiques that wouldn't look out of place in any major city in the world. This is quite simply a resort on the move.

The Morzine ski experience is limitless and should not be underestimated. In part because it forms part of the Portes du Soleil, spanning two countries and 12 different interconnected ski resorts, which is a great deal to ski on any one week ski holiday. But also because each skiing district has its own secret offerings, whether it be quiet slopes during peak weeks for relaxed family skiing or hidden locations that offer powder runs days after the rest of the resort has been tracked.

It is easy to forget in the midst of a ski holiday that there are other equally exciting things to experience. In reality, such is the plethora of non-ski activities, they warrant an action-packed week's holiday of their own. Morzine village offers a wealth of such experiences that happen well away from the slopes. From snowshoeing to hidden restaurants away from the crowds to parapenting with or without skis, there is so much to do here...

If you already know Morzine in the winter then it will be yours to rediscover in the summer and your love affair may even fall for the warmer season as summer opens up, not just the mountain, but the entire region. The natural beauty is astounding, as are the gifts the mountain gives you in the form of waves of colourful flowers to marvel at, cool freshwater lakes to swim in and weather to warm your soul.

When you're not out exploring the vast playground that is the Portes du Soleil we know that being back home at Penthouse Mathilde certainly won't disappoint.

# The Ski Area

The unique selling point of the Portes du Soleil is the on-snow experience. Pistes of every orientation from high altitude powder bowls to beautiful winding tree-lined runs into the picture postcard villages. Not to mention the limitless off-piste. There's something for every ability from those learning for the very first time, through to the seasoned skier looking for the ultimate challenge. No two days are the same here, in fact, no two weeks are!

We founded The Boutique Chalet Company in 2011 with a clear vision to redefine mountain luxury and deliver a contemporary version of the traditional luxury chalet holiday. Today that vision is stronger than ever. It's all that is good about our industry's history, seamlessly blended with inspiration from exotic destinations and major cities around the world today.

We are often asked where it all started and our answer usually surprises people. They expect to hear of a long time love affair with the snow and skiing, but for us it's all about the properties and the service. We love the mountains for sure, but none of us are die hard skiers and that's a good thing. Our real passion lies in the amazing, world-class properties which we not only operate but are privileged to have helped design and build, alongside all aspects of food and drink. Nowadays it's that last bit, exceptional, innovative and unique dining and drinks experiences, that we think really sets us apart from our competitors.

Our journey started with the development of a luxury ski chalet. The property was completely redeveloped in two phases spanning several years in total and is virtually unrecognisable now to where it started. Since then we have further strengthened our collaborations with leading architects such as Marullaz and blank interior designers Shep & Kyles with whom we have worked on Sapphire. With one of our properties winning Best New Ski Chalet at the 2016 World Ski Awards, two more receiving nominations in 2017 and another shortlisted for an

International Design & Architecture Award in 2018, it is clear that truly spectacular properties are our bread and butter.

What drives us every day is a passion to be creative and innovative in all that we do and particularly our food and drink. We genuinely aim to take the best elements of service and hospitality that we experience and incorporate those into our own style, to deliver what we believe is the most innovative ski chalet experience out there.

As individuals, we live for those magical moments, the memories that inspire you and fill you with that warm glow of knowing... where you prepare yourself with the sentiment that "this is going to be good." For example, we will never forget ordering a beer at the NoMad hotel in New York City, and being handed a menu with such an extensive array of craft beers—literally hundreds—from around the world.

More recently we were blown away by the cocktails at The Cocktail Trading Co. in Shoreditch, London. We've been to many great cocktail bars over the years, but these took it to another level. It's

experiences like these that fuel our own products; so in this area we have the Four Bottles Bar which showcases our wines, craft beers, gins and our very own BC Signature cocktail.

When it comes to food our travels and experiences are equally important. We only employ experienced professional chefs in our kitchens and whilst we encourage them to engage with their guests to deliver a personalised dining experience, we have also developed a range of signature dining concepts, which mean their guests enjoy truly special and unique experiences every time they dine. All our chefs are trained in these menus, adding to their own experience to create something truly special.

Kaiseki—our fine dining Japanese tasting menu—is the perfect example. Curated from the ground up for service in our chalets, this isn't simply a good chef turning their hand to a new cuisine. This is your own Japanese Fusion Restaurant in the comfort of your chalet.

Kaiseki was so successful that we wanted to take the 'restaurant experiences' concept further. In fact

you could argue it started with The Breakfast Club, a menu that is a far cry from just bacon and eggs. It showcases a range of signature daily dishes designed by our head chef, Nick Lyon-Dean, and inspired by Brunch Classics—perfect to set you up for a day on the slopes, without weighing you down!

Fantastic spa facilities feature throughout our portfolio, so working with the right spa partner was essential. Enter Bamford. Our partnership runs beyond simply using their luxurious botanic and organic products throughout our properties.

We also offer their massage and beauty treatments in our chalets' very own Bamford Spas. Our therapists train alongside theirs at The Haybarn Spa in the Cotswolds, a statement that only a select few five star hotels can make.

Tying together these elements is of course our service. We'd like to think of it as modern, professional but also relaxed in style. Even small details set the tone here, such as our uniforms which take their inspiration from the bold and ambitious Manchester House restaurant. We want you to feel perfectly at home in your chalet—our team are there when you need them, but not when you don't—and we try not to do things for the sake of it... tricks aren't required to make our holidays special.

We would say that simple quality is the goal we strive for, but as with all things simple, it's the detail that counts. The refinement of this detail year on year is the reason our food and drinks experiences are

considered the best in the industry! World-class properties, curated dining experiences, exceptional levels of service with fine attention to detail and a personal touch throughout. Offering a five-star luxury hotel experience in a private mountain residence.

This is our story.

This is Mountain Luxury Redefined.
