Our Story	24
We are often asked where it all started and our answer usually surprises people	

The Penthouse is a fabulous, brand-new luxury ski apartment in the ski resort of Les Gets. Spanning two floors and finished to an incredibly high specification, The Penthouse ski apartment offers its guests some truly wonderful mountain views across the village of Les Gets resort.

Situated very close to the Mont Chery cable car, and just a couple of moments stroll from the Chavannes cable car and chairlift, The Penthouse allows you to enjoy the very best of Les Gets village centre and its popular bars, restaurants and boutiques. The Penthouse is in the perfect location for a luxury ski holiday for a family or corporate ski group.

There are five beautifully-furnished bedrooms all with en suite bathrooms and four with balconies. The Penthouse has its own private wellness suite featuring a sauna and a spa treatment room with heated massage couch. The contemporary mountain-luxe style is continued on the living room level, where luxurious sofas surround a feature fireplace and balconies capitalise on those mountain views.

A very large designer kitchen is fully-equipped for catering and is separated from the beautiful bespoke dining table only by the breakfast bar, so you can cook and still join in the après ski conversation. If you need to check back into the real world during your stay, then the private study with Apple Mac and leather tub chairs is the perfect spot to do so—your

very own luxury ski office. Then after dinner, retreat to the TV snug and curl up with a hot chocolate and a movie.

The Penthouse could almost be considered ski in/ski out as the nearest ski lift—the Mont Chery cable car—is just a 150m stroll. From here you can access some of the best intermediate skiing in Les Gets and it offers amazing and quiet off-piste skiing on powder days. The Chavannes cablecar and chairlift is also very close by and from there you can access the Morzine/Les Gets ski area that links up to the world famous Portes du Soleil.

The boutiques, bars and restaurants of Les Gets village are all on your doorstep, so you can fully enjoy the après ski each day and could even pop home for some more comfortable footwear before enjoying your first vin chaud!

Luxury Self-Catered

Introducing Luxury Self-Catered from The Boutique Chalet Company – immaculately presented chalets with bespoke service from the moment you book and throughout your stay. Our dedicated Travel Experience Team will meticulously plan your personal itinerary, introducing you to trusted partners who we have been working with for more than a decade in the mountains.

On arriving at your property you'll be met by one of our chalet managers – they'll ensure you know how the chalet works, that you've got everything you need and where you're heading out to ski the next day. Our friends at Gravier Ski take on a dedicated technician to specifically work with our guests – they will come and get you kitted out directly in your chalet and we can also deliver lift passes so you don't have to queue in the morning.

You won't need to shop... each day we will deliver a bespoke hamper in which you can choose to include breakfast supplies, drinks packages and even recipe boxes that make evening catering a breeze. If you want to eat out, be that on or off the mountain, we'll help you make reservations at the best restaurants – we'll even share our personal recommendations for what to order and which table to request.

All our properties are in amazing locations and they're at most a few hundred metres from the lifts or a bus stop – we'll help you make a plan for exactly how to get around, we can even arrange lockers at the lift so you don't need to walk in your ski boots. If you're driving out to resort or hiring a car at the airport, we can give you tips on where to park and how to get around easily.

To make your stay really special you can also benefit from our exclusive spa partnership with Bamford – our in-house therapists offer a full treatment menu in our properties. For those special occasions we can also arrange live bands, firework displays and bespoke events.

A woman with dark hair pulled back is lying on her stomach on a massage table. Her eyes are closed, and she has a serene expression. A therapist's hands are visible, gently massaging her back. The background is softly blurred, showing a bright, airy spa environment.

Welcome To Les Gets

Les Gets is located in the Haute Savoie and is one of the most northerly of the French Alpine resorts, less than one hour from Chamonix, and benefiting from the Mont Blanc microclimate. It forms part of the Portes du Soleil, the largest ski area in the world comprising of 12 Franco-Swiss ski resorts that will keep you busy for many holidays to come.

Off mountain Les Gets and the surrounding area offers so much to its visitors that it would be easy not to ski at all. There are the basics such as local cinema, large swimming pools and an aquatic centre, bowling, an open-air ice rink, ice hockey, parapenting, ice diving, snowmobiling, tobogganing and snowshoeing. But there are also nature discovery tours, day trips, cheese-making tours, spas, tennis courts, climbing, horse-riding and many cultural events and offerings. The tourist office are one of the most proactive and work tirelessly to offer visitors the very best mountain experiences.

Les Gets delivers when it comes to dining experiences too. From restaurants offering fine dining with a passionate connection to regional and traditional heritage, to modern, simplistic affairs; from the

simple street food of K2, or the local butcher who cooks up handmade regional sausages for mid-ski-day food on the go, to authentic tapas in the wine bars of The Marmotte, or fine dining at the likes of La Péla. Then there are the old mountaintop classics, such as La Paika and Chez Nannon, who create uncomplicated purist mountain food, respecting the seasons, sourcing the finest local ingredients, staying true to their mountain roots. In fact the region as a whole has in recent years experienced somewhat of a gastronomic renaissance as a wide range of talented and creative chefs, with diverse roots and pasts, choose to live and work in the region.

Les Gets enjoys a busy events calendar, in part due to the town's incredible Tourist Office, but also due to the larger region's passion for creating mountain events for all their visitors. Celebration of music is now very much a part of mountain culture so throughout winter and summer Les Gets (and the Portes du Soleil) hosts a series of mostly free events; music, film, culture, charity and family. It is always worth finding out a little more about the resort's social calendar before you visit to make the most of these regional offerings.

The Ski Area

The unique selling point of the Portes du Soleil is the on-snow experience. Pistes of every orientation from high altitude powder bowls to beautiful winding tree-lined runs into the picture postcard villages. Not to mention the limitless off-piste. There's something for every ability from those learning for the very first time, through to the seasoned skier looking for the ultimate challenge. No two days are the same here, in fact, no two weeks are!

THE DISTRICTS:

- Morzine-Pleney
- Morzine-Les Gets
- Nyon
- Super Morzine
- Avoriaz
- The Swiss Resorts & The Portes du Soleil
- The Stash for freestyle

The Les Gets ski experience is limitless and should not be underestimated. In part because it forms part of the Portes du Soleil, spanning two countries and 12 different interconnected ski resorts, which is a great deal to ski on any one week ski holiday. But also because each skiing district has its own secret offerings, whether it be quiet slopes during peak weeks for relaxed family skiing or hidden locations that offer powder runs days after the rest of the resort has been tracked. The mountains truly are what you make them so it pays to be in the know.

We founded The Boutique Chalet Company in 2011 with a clear vision to redefine mountain luxury and deliver a contemporary version of the traditional luxury chalet holiday. Today that vision is stronger than ever. It's all that is good about our industry's history, seamlessly blended with inspiration from exotic destinations and major cities around the world today.

We are often asked where it all started and our answer usually surprises people. They expect to hear of a long time love affair with the snow and skiing, but for us it's all about the properties and the service. We love the mountains for sure, but none of us are die hard skiers and that's a good thing. Our real passion lies in the amazing, world-class properties which we not only operate but are privileged to have helped design and build, alongside all aspects of food and drink. Nowadays it's that last bit, exceptional, innovative and unique dining and drinks experiences, that we think really sets us apart from our competitors.

Our journey started with the development of a luxury ski chalet. The property was completely redeveloped in two phases spanning several years in total and is virtually unrecognisable now to where it started. Since then we have further strengthened our collaborations with leading architects such as Marullaz and blank interior designers Shep & Kyles with whom we have worked on Sapphire. With one of our properties winning Best New Ski Chalet at the 2016 World Ski Awards, two more receiving nominations in 2017 and another shortlisted for an

International Design & Architecture Award in 2018, it is clear that truly spectacular properties are our bread and butter.

What drives us every day is a passion to be creative and innovative in all that we do and particularly our food and drink. We genuinely aim to take the best elements of service and hospitality that we experience and incorporate those into our own style, to deliver what we believe is the most innovative ski chalet experience out there.

As individuals, we live for those magical moments, the memories that inspire you and fill you with that warm glow of knowing... where you prepare yourself with the sentiment that "this is going to be good." For example, we will never forget ordering a beer at the NoMad hotel in New York City, and being handed a menu with such an extensive array of craft beers—literally hundreds—from around the world.

More recently we were blown away by the cocktails at The Cocktail Trading Co. in Shoreditch, London. We've been to many great cocktail bars over the years, but these took it to another level. It's

experiences like these that fuel our own products; so in this area we have the Four Bottles Bar which showcases our wines, craft beers, gins and our very own BC Signature cocktail.

When it comes to food our travels and experiences are equally important. We only employ experienced professional chefs in our kitchens and whilst we encourage them to engage with their guests to deliver a personalised dining experience, we have also developed a range of signature dining concepts, which mean their guests enjoy truly special and unique experiences every time they dine. All our chefs are trained in these menus, adding to their own experience to create something truly special.

Kaiseki—our fine dining Japanese tasting menu—is the perfect example. Curated from the ground up for service in our chalets, this isn't simply a good chef turning their hand to a new cuisine. This is your own Japanese Fusion Restaurant in the comfort of your chalet.

Kaiseki was so successful that we wanted to take the 'restaurant experiences' concept further. In fact

you could argue it started with The Breakfast Club, a menu that is a far cry from just bacon and eggs. It showcases a range of signature daily dishes designed by our head chef, Nick Lyon-Dean, and inspired by Brunch Classics—perfect to set you up for a day on the slopes, without weighing you down!

Fantastic spa facilities feature throughout our portfolio, so working with the right spa partner was essential. Enter Bamford. Our partnership runs beyond simply using their luxurious botanic and organic products throughout our properties.

We also offer their massage and beauty treatments in our chalets' very own Bamford Spas. Our therapists train alongside theirs at The Haybarn Spa in the Cotswolds, a statement that only a select few five star hotels can make.

Tying together these elements is of course our service. We'd like to think of it as modern, professional but also relaxed in style. Even small details set the tone here, such as our uniforms which take their inspiration from the bold and ambitious Manchester House restaurant. We want you to feel perfectly at home in your chalet—our team are there when you need them, but not when you don't—and we try not to do things for the sake of it... tricks aren't required to make our holidays special.

We would say that simple quality is the goal we strive for, but as with all things simple, it's the detail that counts. The refinement of this detail year on year is the reason our food and drinks experiences are

considered the best in the industry! World-class properties, curated dining experiences, exceptional levels of service with fine attention to detail and a personal touch throughout. Offering a five-star luxury hotel experience in a private mountain residence.

This is our story.
