## WINE

For Southern Soul we wanted to select a chameleon of a wine, something which could provide refreshment from the spice of the jerk prawn rice, that also sat comfortably with the 'big' flavours on offer in the accompaniments.

Allram Grüner Veltliner Strassertaler was the perfect selection in our eyes, there's citrus on the nose followed by a spicy pepperiness that's quite unique in a white wine.

## A LA CARTE OPTION

You may also like to try Marquesi di Barolo Peiragal – which is one of our favourite wines from the Langhe region in northern Italy. This is an exquisite example of Barbera d'Alba, a grape full of fruity freshness. 30 EUR
