BOUTIQUE COLLECTION

LUXURY SELF-CATERED SKI HOLIDAYS

Our Boutique Collection is all about beautifully appointed luxury accommodation which you can book on a self-catered basis. The properties are generally suitable for slightly smaller groups than our catered chalets, but don't let that fool you; these are still exceptional luxurious properties, all of which have been passionately designed by individual private owners.

To feature in our Boutique Collection a property must be well-located near the centre of the resort. Ski lifts, shops, bars and restaurants will all be within easy walking distance. Simple enjoyment is a key feature of a Boutique Collection holiday, so our pre-arrival concierge service is also available to help you plan for your trip.

One of our resort team will meet you on arrival to make sure you feel at home during your stay, and to help you settle in you'll find a welcome hamper packed with some essentials and a few treats as well. The rooms will of course be ready for your arrival, each being made with luxury bed linen and featuring beautiful products from our partner, Bamford. A daily housekeeping service will ensure everything remains beautifully presented throughout your holiday.
